

## Design Brief & Role:

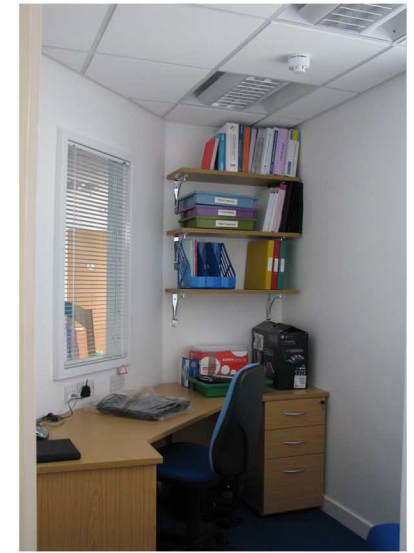

Part of a series of overlapping refurbishment projects completed for West Sussex County Council.

Appointed as Architects & Lead Consultant for a full Architectural service from Concept Planning to Completion.

Refurbishment of 'tired' and redundant classrooms to become Pre-School Nursery incorporating the following:

New Dedicated Entrance with New Canopy  
Primary Nursery Space with Wet/Dry Areas  
Shared Resource Area (with Primary School)  
Supporting WCs; Staff Office & Kitchenette.

All works completed in a 'Live School' environment.  
Variation to an existing Building Programme and Contract procured / delivered through negotiation with Contractor.

Project partnered with and run on behalf of The Seaman Partnership Ltd
